

## SUMMER CAMP 2019 KG – 2<sup>ND</sup> GRADES

### THEMES

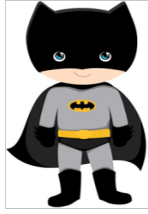

**Dynamite Dinosaurs:** This week, Safari Kid children will be learning all about dinosaurs. They will journey through time back 65 million years, when dinosaurs roamed the earth. Fossils, volcanoes and Dino steps all help campers explore the Jurassic Park.

**Fairy Tale STEAM:** Safari Kid Children will be exploring and learning to solve the challenges inspired by Alice in the Wonderland, Wizard of OZ, Peter Pan and more! They will use enchanted engineering to solve problems that occurred Once upon a time!

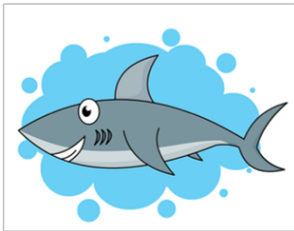

**Summer in the Space:** Children will relish in the warm breezes of midsummer nights this week as they explore the wonders of the solar system. Kids will learn about the planets, discover constellations, grow with the phases of the moon and even build a rocket ship in these fun space activities.

**Super Heroes:** Safari Kid children will be having fun learning and discussing about their favorite characters of Super hero. They will also be making a presentation on their favorite Super Hero and dress like their Super Hero on Friday. Come and help us save the world and live happily ever after!!

**Blast from the Past:** Safari Kid children will be travelling in time to the past and learn all the fun and important things happened in the last century. The children will get to know some of the famous people, inventions, happy moments and drastic wars.

**Under the sea:**  
“Water will be the fun word during Summer” Safari Kid Children will be exploring and learning about Mermaids, shells, fish, whales, sharks abound as we explore life under the sea through nature and craft projects, storytelling, skits, and enjoy some wet wacky water games.

**Animation Domination:** Children will be amused to interact with their favorite animated characters like Nemo, Incredibles, Olaf, Mike Wazouski etc...They will enjoy bringing make-believe characters to real life.

**Explorer’s week:** Safari Kid children will be learning about different explorers and the challenges they faced. The children will also get to explore and learn everything about space, food, earth, ocean etc...

**Eco Kids:** Eco Kids camp will begin with entertaining, age appropriate eco-friendly lessons on ways to help keep the Earth green. They will be engaged in activities in the sciences and arts that reinforce each day's message such as planting trees, making art with recycled materials, and why it is important to recycle.
